Growing up in Paterson NJ, born with a pen in her hand, house beat of a heartbeat and a poetic rhythm in her spirit, RescuePoetix™ found her performance voice at an underground Open Mic in Jersey City in 2006, where she began by getting involved in the promotion, artist scheduling and organizing of weekly events.

RescuePoetix™ has been fortunate and honored to perform in New York, New Jersey, Miami and Philadelphia with a variety of talented Spoken Word artists in such venues as: Ladies on the Mic (Jersey City NJ), Louder Arts (NYC), Capicu Poetry & Cultural Showcase (E Harlem, Brooklyn), Poetry in Pink 2009, 2010, 2011 (NYC, Harlem), CyberSlamm at Winter Music Conference Miami 2012 & 2013, CyberSlamm Philadelphia 2012 in partnership with Global Influences, Femancipation at Winter Music Conference 2013 and many others. She continues to perform at various live and radio venues throughout NY and NJ on a regular basis.

RescuePoetix™ founded "Just Add Sound", a monthly open mic, in 2009, in Jersey City, where she currently resides. Just Add Sound was renewed in October 2014 as Just Add Sound Radio focusing on Artists, which include poetry, spoken word, producers, singers and the diversity within the artistic industry. The show airs every other Thursday on cyberjamz.com. RescuePoetix™ has also founded "JC Opens Up the Mic", a collaboration of participating open mics/poetry venues throughout Jersey City. JC Opens up the Mic is under redevelopment as a segment of Just Add Sound Radio, focusing on Jersey City and local artists.

Combining her love of House and Spoken Word, her first full spoken word release, "Shadow Dancer©" was released July 2011, a JoeFlame Production, on D# Sharp Records. This was the next step in the realization of a long built upon dream of recording Spoken Word to Music.

RescuePoetix™ continues to realize another dream: Writing to touch the masses. She has had the opportunity to be freelance writer for such sites as, MediaServicesNYC, Cyberjamz and 1200Dreams. Articles range from music reviews to interviews, from bios to non-fiction pieces.
